HIGHLIGHTS

Startup Accelerator India, India's Leading Digital Health & Technology Accelerator in collaboration with BioNEST, University of Hyderabad has successfully launched a Founders Talk named after eminent scientist Dr.Yellapragada Subbarao.

Hyderabad: Startup Accelerator India, India's Leading Digital Health & Technology Accelerator in collaboration with BioNEST, University of Hyderabad has successfully launched a Founders Talk named after eminent scientist Dr.Yellapragada Subbarao. The aim of the Founders Talk is to promote Technopreneurship and Innovation Management in Deep tech startups.

Dr. Prem Kumar Reddy, who holds 36 patents and has more than 300 publications & Founder of Onconova Therapeutics (USA) delivered the 1st Keynote Lecture of Y Subbarao Technopreneurship GEM Series. More than 60 participants including PhDs, Post Docs and Scientists from life sciences, chemistry & several other Incubatees at BioNEST attended the event.

Prof G S Prasad, Prof Reddanna and Dr Anand were members of the Steering Committee for shortlisting of the Best Publication. The gold medal was given to Ms. Sumbul Afroz, under the guidance of Dr. Nooruddin Khan for their work on the development of Mesoporous ZnO nanocapsules, which enhance antigen-specific immunological responses. This adjuvant technology has immense application in vaccine development.
